Why you can't use your Institution funds or your personal money?

Why participation on SPO 2006 is important for you?

I certify that all submitted information are true and correct. I understand that falsification, later submission (after September 1, 2006) or incomplete application will not be granted. I understand that grants will be distributed on the base of contest, so correct on-time submission is not 100% warrantee of award.
